## Engineers & Environmentalist

Er. HARJINDER SINGH BHATIA

B.E, C.E (I), M.I.E, F.I.V

Approved By Govt. of India & Ministry of Finance

Government Approved Valuer, Loss Assessor & Chartered Engineer  
Certified Auditor Green Society of India (India).

This certificate is issued for record and compliance purposes and is valid subject to regular maintenance and periodic inspection, especially after extreme weather conditions.

### DISCLAIMER

This certificate is issued based on **visual inspection** of the trees and site conditions observed on the date of visit only. No invasive testing, root excavation, or internal structural assessment of trees was carried out.

The safety of trees is subject to change due to **unforeseen natural events**, including but not limited to **severe storms, high-velocity winds, heavy rainfall, waterlogging, lightning, soil erosion, pest infestation, disease, or any other natural or man-made factors** beyond human control.

The undersigned shall **not be held responsible** for any damage, injury, or loss arising due to sudden failure or collapse of any tree under extreme or abnormal conditions occurring after the date of inspection.

It is recommended that the school management:

- Conduct **periodic inspections** of trees,
- Ensure **timely pruning and maintenance**, and
- Undertake immediate action after extreme weather events to reassess tree safety.
